From Bright Idea to Brilliant Success Story — It All Begins with Incfile

## We've Been in Your Shoes...

Incfile began as a small business, too. Our founders bootstrapped their way to success and never took a dime from big-money investors.

So if you're just starting out, we know how stressed you may feel right now. We also know you'd rather be building your big idea than dealing with all the administrative details.

## ...And We Know What It Takes

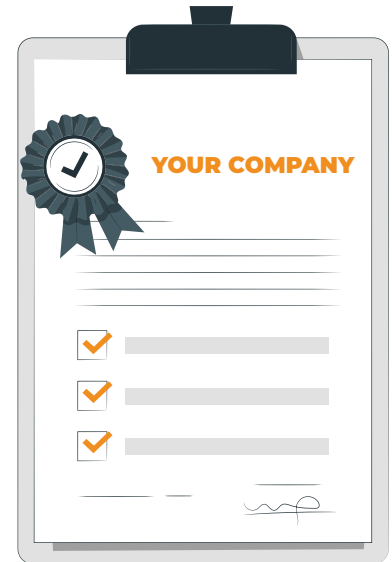

Successful business ownership is a lot more than formation — it takes the right attitude, motivation and support. Plus, a little moxie. And a lot of paperwork.

That's where Incfile comes in. We manage the paperwork and handle other services so you can focus on the parts of your business that inspire you.
